

Step 1: RICE Scoring Table

Features to score:

1. Daily reminders & streaks
2. Mood → Ayah suggestion
3. Gamification (badges, streaks, rewards)
4. Journaling (user reflections)
5. AI-powered summarizer for reflections

Feature	Reach (1–5)	Impact (1–5)	Confidence (1–5)	Effort (1–5, higher = harder)	RICE Score	Notes
Daily reminders & streaks	5	5	5	2	62.5	High reach & impact, easy to build
Mood → Ayah suggestion	4	4	3	3	16.0	Medium reach, needs dataset
Gamification (badges)	4	4	4	3	21.3	Motivates consistency, not too hard
Journaling (reflections)	3	3	4	3	12.0	Moderate adoption, but useful
AI-powered summarizer	2	5	2	5	4.0	High potential, but costly & uncertain

Top 2–3 Priorities (based on RICE):

1. Daily reminders & streaks (62.5)
2. Gamification (badges, streaks, rewards) (21.3)
3. Mood → Ayah suggestion (16.0)
